BMW Picks 2013

The BMW picks are based on recent performance and historical performance at the event. Picks can be verified by checking out the statistics page on the web site. Others to consider are based on other various factors, stats, trends, etc.

Tiger Woods – Woods is the favorite, per usual.

Henrik Stenson – Stenson won last week and finished in the top 3 in 3 of 4 of his most events played.

Adam Scott – Scott finished 53rd last week, but with a week off and 3 of his last 5 events top 5 finishes, including a win, he's still a favorite.

Phil Mickelson – Mickelson has 2 top 10s in his last 5 events played, including a win. The week off should help.

Dustin Johnson – Johnson is on a slight trend and won this event in 2010.

Jim Furyk – Furyk has 4 top 10 finishes in his last 5 events played and 3 top 10 finishes at the BMW in 3 of the last 5 years. The week off may help him as well.

Steve Stricker – Stricker has 3 top 10 finishes in his 5 most recent events played, including a 2nd place finish last week. Stricker also has 2 top 10 finishes at the BMW.

Justin Rose – Rose won this event in 2011. Rose finished 16th last week and 2nd at the Barclay's the week prior.

Matt Kuchar – Kuchar is on a slight trend finishing 4th last week at the Deutsche Bank, he also has 2 top 10 finishes at the BMW over the past 4 years played.

Lee Westwood – Westwood finished 2nd at the BMW last year and he's had a couple back to back top 30's over the past 2 events played.
